Defendant.)	

JOINT SUBMISSION OF CLAIM CONSTRUCTION CHARTS

Pursuant to the Court's Scheduling Order of December 19, 2005, plaintiffs Dyson Technology Limited and Dyson, Inc., by and through their undersigned counsel, and defendant Maytag Corporation, by and through its undersigned counsel, submit as Exhibit A hereto Joint Claim Construction Charts for the asserted claims of U.S. Patent Nos. 4,826,515 ('515 patent); 4,643,748 ('748 patent); 4,853,008 ('008 patent); and 5,858,038 ('038 patent), the patents-in-suit. The asserted claims are claim no. 14 of the '515 patent, claim nos. 15, 16 and 17 of the '748 patent, claim nos. 1, 2, 3, 7, 11, 23, 24 and 25 of the '008 patent, and claim nos. 1, 2, 3, 7, 13 and 14 of the '038 patent. In accordance with the Scheduling Order, the parties exchanged lists of terms to be construed and engaged in meet-and-confer sessions in an attempt to narrow the list of terms. Exhibit A contains two claim construction charts. In the first chart, the parties present their respective proposed claim constructions for the asserted claims and citations to intrinsic evidence for those terms or phrases that are the subject of dispute and that require construction by the Court. In the second chart, the parties present their agreed claim constructions for certain claim terms that require construction.
